PROFESSIONAL EXPERIENCE

The National Center for the Prevention and Treatment of Child Abuse & Neglect, Denver, CO

Title: Community Worker

Dates: 3/75-5/76 (Full Time)

Duties: Participated in therapeutic activities with and provided emotional support for abusive parents in a multifamily residential treatment program; supervised parents in the day to day interactions with their children.

Supervisor: C. Henry Kempe, M.D.

Mount Airy Psychiatric Center; Denver, CO

Title: Team Assistant

Dates: 6/76-7/77 (Full Time 3 mos; Part Time 10 mos)

Duties: Functioned as a mental health assistant on an adolescent inpatient psychiatric unit; duties included participation in occupational, recreational, and group therapies with hospitalized adolescents who suffered from a range of psychiatric disorders; in addition, performed supervised psychological testing batteries.

Supervisor: Ralph I. Fisch, Ph.D..

National Jewish Hospital & Research Center; Denver, CO

Title: Psychology Trainee

Dates: 7/77-6/79 (Part Time)

Duties: Served as a psychological consultant to a medical team treating chronic respiratory patients; performed supervised psychological evaluations and carried out brief psychotherapy with patients whose illness-coping behavior led them to overutilize medical services.

Supervisor: Nelson F. Jones, Ph.D.

Project Head Start; Denver, CO

Title: Psychology Trainee

Dates: 10/77-6/78 (Part Time)

Duties: Provided supervised psychological consultation to Project Head Start teachers regarding suspected psychological difficulties of identified students; offered regular presentations to parents of Head Start children on early childhood development.

Supervisor: Josiah Dodds, Ph.D. Diplomate in Clinical & Assessment Psychology EIN:26-3065840 American Board of Professional & MD Lic. # 3738 Personality Assessment Psychology NPI # 1083955116

Department of Psychiatry, National Naval Medical Center; Bethesda, MD

Title: Clinical Psychology Intern (APA Approved Internship)

Dates: 10/79-10/80 (Full Time)

Duties: Received supervised experience on three major clinical rotations, outpatient and inpatient psychiatry and psychological assessment. Additional brief rotations included consultation-liaison, child assessment, and alcohol rehabilitation. Primary clinical responsibilities included providing group and individual psychotherapy and case management for adult psychiatric inpatients (inpatient rotation); psychiatric evaluations; short and long term psychotherapy (outpatient rotation), and weekly psychological testing batteries (assessment rotation). Attended semi-weekly seminars and lectures.

Training Director: Bruce Becker, Ph.D.

Mental Health Clinic, Naval Medical Clinic; Pearl Harbor, HI

Title: Staff Clinical Psychologist

Dates: 11/80-4/84 (Full Time)

Duties: Provided outpatient psychiatric evaluations on active duty Navy and Marine Corps patients presenting to the Mental Health Clinic with a broad range of psychiatric disorders. Duties also included short and long term psychotherapy (group and individual) and psychological consultation with a variety of line military commands.

Senior Psychologist: David L. Spaulding, Ph.D.

Psychiatry Department, Naval Hospital San Diego; San Diego, CA

Title: Staff Clinical Psychologist

Date : 5/84-8/86 (Full Time)

Duties: Headed the Psychological Assessment Division of the Psychiatry Department; provided psychological assessments for psychiatric inpatients and outpatients; supervised psychology interns on psychological test administration, inference making and report writing; supervised psychology interns for individual psychotherapy; taught a seminar to and supervised second year psychiatric residents in inpatient group psychotherapy; participated on an emergency psychiatric readiness and rapid response team; and stood on-call duty for psychiatric emergencies in the Emergency Room.

Chief Psychologist: Jay Brunza, Ph.D.

The Menninger Foundation; Topeka, KS

Title: Clinical Psychology Fellow

Dates: 9/86-9/88 (Full Time)

Duties: An intensively supervised two year fellowship in Clinical Psychology which included a year long rotation in the C.F. Menninger Memorial Hospital followed by a one year rotation in the Diagnostic Service of the Adult Outpatient Department at the Menninger Clinic. During the inpatient rotation, duties included providing clinical case management, as primary therapist, for hospitalized psychiatric patients in a therapeutic community, performing psychological testing batteries, and conducting individual psychotherapy with both inpatients and outpatients. The psychotherapy patients were borderline and neurotically organized who were seen one to three times per week. On the Diagnostic Service, duties included participating on multi-disciplinary teams as either the clinical interviewer or the testing psychologist during intensive week long outpatient evaluations. Additional responsibilities included individual psychotherapy with latency-aged children, inpatient group psychotherapy and outpatient group psychotherapy with adult survivors of incest, and psychological testing and psychotherapy supervision of two psychology interns at Topeka State Hospital. Both years of the fellowship **Diplomate in Clinical & Assessment Psychology EIN:26-3065840 American Board of Professional & MD Lic. # 3738 Personality Assessment Psychology NPI # 1083955116**

included 10 hours of weekly seminars at the Karl Menninger School of Psychiatry and Mental Health Sciences.

Chief Psychologist & Training Director: William Smith, Ph.D.

Psychology Department, National Naval Medical Center; Bethesda, MD

Title: Staff Clinical Psychologist; Training Faculty in APA Approved Internship Program.

Dates: 9/88-8/90 (Full Time)

Duties: 9/88-1/90: Head, Inpatient Psychiatry Liaison Division. As division head, duties included supervising Clinical Psychology Interns during their three month Inpatient Psychiatry Rotation. Supervision included review of clinical case management, inpatient group therapy co-supervision of psychology interns and psychiatric residents with attending psychiatrists and teaching weekly seminars on topics in hospital psychology. Additional responsibilities included providing psychological evaluations and individual psychotherapy for children and adults referred to the Outpatient Psychology and Child Psychiatry Divisions; supervision of interns in individual and group psychotherapy and psychological testing.

Dates: 1/90-8/90:

Duties: Head, Psychological Assessment Division. Assumed responsibilities for training and supervision of Psychology Interns during their three month assessment rotation. Primary duties included establishing policy and procedures for the division, administrative oversight, supervision of GS 11 Psychology Associate and Psychology Interns, teaching assessment seminar, and conducting psychological evaluations on children and adults. Additional responsibilities included ongoing individual and group psychotherapy of children and adults and psychotherapy supervision of Psychology Interns.

Training Director: Mel Gravitz, Ph.D.

Mental Health Division, USNS COMFORT (T-AH-20), FPO NY

Title: Staff Clinical Psychologist

Date: 8/90-3/91 (Full Time)

Duties: During Operation Desert Shield/ Storm was assigned to one of the Navy's two hospital ships. As a member of a interdisciplinary mental health team duties included outpatient and inpatient psychiatric evaluations, brief individual and group psychotherapy, psychological testing, and consultation. As a credentialed attending psychologist on two inpatient wards, responsibilities consisted of emergency evaluations, admitting patients, consulting with staff physicians, patient management, disposition, and discharge. As Officer-In-Charge of the Outpatient Mental Health Clinic duties involved supervision of corpsmen in screening and scheduling of patients, conducting outpatient evaluations and therapy, and coordinating lecture series with other divisions on the ship. Provided regular consultation to different division and department heads on organizational mental health issues and participated in joint consultation to Navy Central Command, ASU, Bahrain, regarding the deployment of mental health resources in the theater of operation.

Commanding Officer: Capt. Roger Pentzien, M.

Psychology Department, National Naval Medical Center; Bethesda, MI

Title: Staff Clinical Psychologist; Training Faculty (APA Accredited Internship)

Dates: 4/91-8/92 (Full Time)

Duties: Resumed previous duties as the Head of Psychological Assessment and supervisor for Psychology Interns in group and individual psychotherapy. Continued to see adults and children in group and individual psychotherapy.

Training Director: Marvin Podd, Ph.D. Diplomate in Clinical & Assessment Psychology EIN:26-3065840 American Board of Professional & MD Lic. # 3738 Personality Assessment Psychology NPI # 1083955116

Menninger Clinic; Topeka, KS

Title: Staff Psychologist

Dates: 9/92-Present (Full Time)

Duties: As a member of an interdisciplinary treatment team in the C. F. Menninger Memorial Hospital, I served as the psychological consultant for two inpatient units (an Adult Eating Disorder Unit and a Crisis and Special Evaluation Unit). Duties consisted of psychodiagnostic evaluations and brief and longer term psychotherapy (group and individual) for inpatients and outpatients. I also spent 10 hours a week seeing a variety of medical and psychiatric patients in the Biofeedback and Psychophysiology Clinic. Currently I spend roughly half of my time as a Primary Clinician on an adolescent residential treatment unit where I assume primary responsibility for the management of up to six adolescent patients. As primary clinician, I am in charge of admitting and discharging patients, conducting individual and group therapy, and providing supervision to a team of mental health paraprofessionals around the treatment of each patient. In addition conducting psychotherapy with adults, supervising postdoctoral fellows, child psychiatry fellows, and staff clinicians for psychotherapy and psychological testing, I currently conduct psychoanalysis under super-vision.

Director of Residential Treatment: Lui Leichtman, Ph.D.

Menninger Clinic; Topeka KS

Title: Training Director, Postdoctoral Fellowship in Clinical Psychology (APA Accredited)

Dates: 6/96-8/00

Duties: Approximately one third of my time is devoted to directing the postdoctoral program. As Training Director, I sit on the Educational Cabinet along with the Director of Education and Research and an interdisciplinary group of training directors from the General Psychiatry Residency, Child Psychiatry Fellowship, and Postmasters Social Work Program. Together, we administer the four core post-graduate training programs at Menninger, setting policy, recruiting Fellows and appointing faculty, revising curriculum, and teaching and providing supervision for trainees in the different mental health training programs. In the Clinical Psychology Program, I serve as Chair of the Training Committee and hold a seat on the Psychology Discipline Executive Committee at Menninger. Under my supervision, the Training Committee is tasked with administrative oversight of the postdoctoral program, including program development and evaluation of Fellows, courses, training rotations, and teaching faculty. Finally, it is the responsibility of the Training Director to insure that the program remains fully accredited by both APPIC and APA.

Director of Education and Research: John Sargent, MD.

Private Practice; Bethesda, MD

Dates: 8/00-Present

Duties: Private practice of psychotherapy, psychoanalysis and psychodiagnostic testing with adults, children and adolescents. 7
